1. Savings at Work: To receive the savings, all purchases made through the Savings at Work program must be charged to a qualifying American Express Corporate Card, the American Express® / Business ExtrAA® Corporate Card, the Corporate Purchasing Card, the Meeting Card or any other American Express Commercial Card. In order for clients to receive a rebate for a specific charge, the participating partner must be shown as the merchant of record on the American Express Card statements issued during the offer period. Offers from Partners are subject to the Partners' terms and conditions. A company must be an active mid-size client of American Express in good standing for the rebate qualification, accrual and payment periods. A report of client spend will be provided to participating partners for the purposes of calculating and substantiating rebates. Clients can choose to opt out of the program and the provision of the rebates and benefits associated with the program by calling 877-207-1098. American Express reserves the right to amend, alter, or terminate the program, participation and offer in its sole discretion at any time without notice. American Express, the American Express logo and americanexpress.com are registered trademarks of American Express Corporation.
2. Membership Rewards Program: Enrollment required. Annual program fee to enroll a Corporate Card is \$75. Fee is billed to each Cardmember's account. Corporate Cardmembers may enroll in the program unless their company has chosen not to participate in the program. If your company declines participation, American Express must be notified in writing. The program is designed to reward only Cardmembers and points may not be used for the benefit of the corporation. The terms and conditions of the program do not permit any individual or company to directly encourage or allow a Corporate Cardmember or other individuals to use a single Corporate Card account for the purpose of accumulating Membership Rewards points for company use. Enrolled Corporate Cards from the same company cannot be pooled into one program account. Some Corporate Cards are not eligible for enrollment in the Membership Rewards program. Any Card account not in good standing at time of enrollment will not be eligible to enroll in the Program. All Cardless Central Billing Accounts, such as Airline Billing Accounts, Business Travel Accounts, Car Rental Business Travel Accounts and Treasurer's Card Accounts are not eligible for participation in the Membership Rewards program. Cardmembers will forfeit points if their accounts are not in good standing (i.e. not paid within 30 days of the statement closing). Points can be reinstated for a fee of \$29 per Card per month. Participating Membership Rewards partners and available rewards are subject to change without notice. Visit americanexpress.com/rewards for a complete list of current partners and rewards.
